

SANTIAM SERIES - Single Hung, Horizontal Slider & Picture Windows

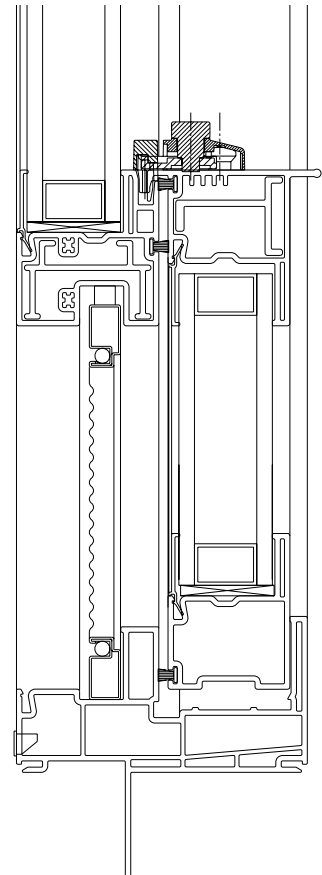

The Santiam slider series window design is one of the most comprehensive hung-slider window designs on the market. This versatile design is an excellent choice for upscale residential and light-commercial applications. With optional limit devices and w.o.c.d. its a great fit for commercial applications.

The vinyl is available in white, sandstone, and clay on which a number of solid color or wood-grain foils can be laminated.

Features:

- Frame Depth: 3-1/2"
- Up to 1-3/8" glazing capability for increased energy efficiency and acoustical performance.
- Nail Fin set back stucco key: 1"
- Nail Fin set back accessory groove: 1-3/8"
- Continuous Frame Building multi-lite configurations within one frame provides greater design flexibility and freedom.
- Reinforced Frame & Sash this allows for our product line to be designed into plans for taller buildings and commercial applications.
- Ease of use Hardware, we offer the best hardware on the market for commercial application openers for ventilation and cleaning.
